

*Attention: Quality Managers, Business Owners,
and General Managers in the Aerospace Industry*

**New Quality Standard
Deadline is Approaching**

AS9100 AEROSPACE WORKSHOP

Presented By Premier Quality Systems

Companies currently certified to AS9100 Rev B have until July 1, 2012 to implement the new standard.

Premier Quality Systems is presently upgrading our current aerospace clients to AS9100 Rev C, and now offers this workshop to help other companies prepare for the change.

Companies that do not upgrade by the deadline will have NO Quality Management System Standard.

In this workshop we will help you. . .

- Understand the nature of the changes under the new standard.
- Plan the steps necessary to implement the standard.
- Prepare for the audit.

This event will be held at the. . .

Embry-Riddle Aeronautical University (Daytona Beach, FL),

January 28, 2012.

The workshop will be presented by an Embry-Riddle graduate who is an Aerospace Auditor with 12 years experience as a consultant in the industry. . . plus he has a track record of clients that he has already helped pass the AS9100 Rev C audit.

Premier Quality Systems is the leader in Quality Management Implementations, with a 100 % success rate. We have helped many companies develop their quality management system and attain their certification requirements. . . and we would like to help you set and meet the goals that will assure your company maintains its commitment to the highest quality and customer service.

"Premier Quality Systems is a great company to work with. There is no one else we would want to work with us. They demystified the whole process for us and told us exactly what we needed to do to. . . We like working with them so much that we have them back every year to do our Internal Audits for us."

- Kathy Pino, President, MS Electronix

Remember, the AS9100 Rev B Certificate will soon expire. You must make provisions to upgrade your certification in order to have *any* recognized Quality Management System Standard.

Let us help you make the transition to AS9100 Rev C Certification easily. . . Register for this important workshop without delay.

**Special rates are available at hotels near the airport.
Food will be provided on-site.**

**Cost is \$1995 per person.
*Bring a friend, and split the cost of the workshop,
paying only \$997.50 per person.***
